JESUS IN THE CITY FELLOWSHIP

Information and News Update

Beginning our 25th Year of Ministry in South Minneapolis

Isaiah 58:6-7: *“Is not this the kind of fasting I have chosen: to loose the chains of injustice and untie the cords of the yoke, to set the oppressed free and break every yoke? Is it not to share your food with the hungry and to provide the poor wanderer with shelter--when you see the naked, to clothe him, and not to turn away from your own flesh and blood?”*

Verse 12: ***“You will be called Restorer of Streets with Dwellings.”***

It absolutely amazes me how much has changed in the last 10 weeks since our last newsletter. We are witnessing an event of Biblical proportions. This coronavirus began as a trickle in December and January in Wuhan, China, slowly seeped into Europe and now has emerged into our great United States. On March 15th we suspended meeting in our building in South Minneapolis and pivoted quickly to stream on Facebook Live from my home office. I am broadcasting four times a week; Sunday morning at 11:00 a.m., and Monday, Wednesday, and Friday at 7:00 p.m.

The JICF ministry team is plugged into all of the attendees of our various services, chapels, and Bible studies that we have held over the past year. The ministers are calling and praying with people on a daily basis.

I have a few thoughts about this process and this season of change. God is at work in these difficult days. On a personal level, I have not seen my mother in five weeks, as she is on lockdown in an assisted living facility. There are others with more challenging issues including folks who have gotten sick or passed away. I believe and know that God is in control and working out His plan in the infinite details. And as men and women of God we need to stay focused on Him and listen carefully. We also need to be prudent and wise. We are living in a spiritually rich time. God is going to use this pandemic to further His kingdom and His plan. It is very easy to start up a conversation about the Lord these days. People who do not know God and live without a personal relationship with Christ are scared. This is completely uncharted territory for all of us, but I want to encourage you. The Lord has not abandoned us, and He is still in control.

Below is the paragraph that I wrote for the last newsletter. I said it was going to be a special year of growth for ministries.

*The answer is in the question, the Lord will have His way; **but will we participate in His kingdom building?** The year 2020 is going to be a special year of growth for those ministries and businesses who step out in faith and share Christ to the world. Come and join us if you are willing. You will most certainly be blessed as you bless others in the process.
Thanks so much.*

Isaiah 43:18-23, NIV Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? ***I am making a way in the desert and streams in the wasteland.*** The wild animals honor me, the jackals and the owls, because I provide water in the desert and streams in the wasteland, to give drink to my people, my chosen, the people I formed for myself that they may proclaim my praise.

The Lord is doing a new thing and I believe God is going to reveal Himself to many people who otherwise would not have sought Him for whatever reason. Meanwhile, at ***Jesus In The City***, we keep moving forward, and we continue to rely on your financial support for this ministry. I know that some of you have been thrown into precarious situations financially. KEEP THE FAITH. Let me know how I can pray for you. Thank you again for your financial and spiritual support. Have a blessed Easter.

Sincerely yours in Christ,
Pastor Michael Angelo Pilla, DTh
